

# Directions to the new space

Knapp Center for Biomedical  
Discovery (KCBD)  
First Floor, Room 1250

To get there: Walk north toward the Gordon Center (GCIS). Cross 57<sup>th</sup> St. between the CIS and the BSLC, then turn left. The KCBD is behind the BSLC, the entrance is on your right, at the corner of 57<sup>th</sup> and Drexel.

**BRING YOUR UNIVERSITY ID TO GET IN  
AFTER 5pm!!**

Once in the building: walk through the lobby and make a right into the elevator area. Go through the glass double doors at the end of the first floor elevator bay, then turn left and head down the hall toward the big inflatable fish. We are on the left side of the hall, across from the DNA sequencing / genotyping core.

We still have a satellite facility in the hospital, room  
AB-129.
